REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The present application is allowable for the reasons as set forth in 08/192,471, now U.S. Patent No. 5,393,368, of which the present application is a reissue application. In a correction tape dispenser comprising a tape having a carrier ribbon with correction composition thereon, supply and take-up spools for the tape and a tip for pressing the tape against a surface, the prior art does not anticipate or render obvious a guide means which operates in conjunction with the shape of the tip for twisting the tape so that the part of the tape around the edge between the guide means is in a plane substantially perpendicular to said edge and inclined to the feed direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
